

November 16, 1937

The meeting was called to order by President Peter Murphy, who presided. The minutes of the previous meeting were read and approved.

The report of the committee to investigate the matter of the Kaimin editor's salary presented a written report including the following recommendations:

- "1. That the \$10 per month, that was to come from a scholarship fund, should not come from the Kaimin reserve fund.
- "2. That the \$10 can hardly come from the ASMSU General Fund because of one clause in the budget which says, 'that not more than \$135 to be applied toward the Kaimin editor's salary come from ASMSU funds'."

Carmody moved that we accept the recommendations of this committee, subject to reconsideration in the Spring Quarter of the school year. Chambers seconded. Motion carried.

Woodburn Brown asked Central Board's approval of a plan to give M Club members free admission to athletic contests for three years following their completion of varsity competition. Murphy suggested that this proposal should be acted upon by Athletic Board before any final action was taken by Central Board.

Murphy suggested Central Board's giving key awards to its members as recognition of their services, but it was decided not to appropriate ASMSU funds for this purpose, although members of Central Board may purchase such keys individually if they wish.

Mr. Briggs suggested that at the end of football season letters be written "Chink" Seymour and Ray Whitcomb commending them for their fine work in helping to bring about greatly improved school spirit on the campus.
